*The name of Jesus is the glory of preachers,
 because the shining splendour of that name
 causes God's word to be proclaimed and heard.*

GOSPEL REFLECTION

Today's liturgy, like that of last Sunday, invites us to a deeper appreciation of the Paschal Mystery we have just celebrated. Today we renew our faith in the great sacrament in which the Saviour's Paschal Mystery gives life to the Church age after age.

The gospel reading from Luke makes clear the central place given to the Eucharist in the community for which the gospel was written. In Luke's narrative, Jesus, after completing his Galilean ministry, turns his attention to the formation of the apostles. He has them share in his mission by sending them to preach the good news and to heal the sick. Confronted by a crowd that has neglected to provide themselves with nourishment in their eagerness to stay in his company, Jesus has a new lesson for The Twelve. 'Give them something to eat yourselves', he tells them. There can be no doubt, as the narrative continues, that Luke sees these words as pointing to the Eucharist, the nourishing of the people of God that will be the centrepiece of the apostolic ministry. Taking the loaves and fish, Jesus 'raises his eyes to heaven', pronounces 'the blessing' over the loaves, and then 'breaks them'. Though provided by Jesus, the nourishment is given to the people through the ministry of the apostles – who are instructed to organise the people 'in parties', to distribute the loaves and fish, and to collect the scraps.
